Subject: RE: Milestone Report for Salton Sea Toxic Monitoring Grant
Attachments: 2018 Section 105 Grant Matrix Semi Annual Report.xlsx

Hi Shika,

Narrative progress reports should be submitted for the special projects funded by your CAA 105 grant. In addition, ARB submits mid-year (semi-annual) matrix reports like the attached for the general CAA 105 activities. The next mid-year report should cover the period of October 1 – March 30.

I hope this helps. ☺

Thanks!

- Angie

Hi Angie,

Look, I just found it =)

Let me know if we have to submit a similar progress report for Section 105 – new grant. If so, we will coordinate with Programs to get this in to you...

Thank-you
Shika

Hi Shika,

Here's an example of a progress report for a different special project funded under ARB's Section 105 grant.

I hope this helps.

Thanks!

- Angie

Subject: Milestone Report for Salton Sea Toxic Monitoring Grant

Angie,

Attached is a milestone report submitted by Imperial Irrigation District to CARB in partial fulfillment of reporting requirements in CARB's Grant Agreement G16-SS-001, which is funded by the Salton Sea Toxic Monitoring portion of U.S. EPA's FY15 – FY17 Border Activities Section 105 Grant to CARB.

Please contact me if you have any questions about this information.

Earl
